

CORE- MTA Scholarship Program

Your company's purchasing dollars are at work for tomorrow's future! On March 16, 2009 James Shell of CORE Telecom Systems proudly presents a check to the general manager, Geoff Feiss of the Montana Telephone Association. It is import to recognize the hard work of Angela Joki in organizing the effort to let all member and non member companies of the MTA aware of the fund. So far over 25 applications have been received for the 2008 MTA/CORE Scholarship Program.

CORE Telecom Systems, Inc., provides a scholarship fund to the Montana Telecommunications Association (MTA) members and non-member service providers. The MTA-CORE Showcase Scholarship is designed to help the awarded applicant with the expense of a college education. The scholarship is available to the dependents of full or part-time employees, current directors, or owners (or their spouse) of all independent local exchange carriers in Montana regardless of their affiliation with the MTA. Your company is a part of this program!

MONTANA
TELECOMMUNICATIONS
ASSOCIATION

CORE Telecom Systems, Inc. is an integrated supplier of brand new and secondary re-used equipment. CORE celebrates 2009 in its 10th year of business with dedicated service to the IOC market by delivering many manufacturers and products of the telecommunications industry. Our specialization includes a wide variety of equipment for central office switching technologies, broadband and transmission products, remote outdoor cabinets, a full line of fiber optic material, complete power systems and a wide variety of batteries by industry leading manufacturers. As a value added reseller, CORE is an authorized distributor for Tellabs, Eltek-Valere, North Star Battery, Lineage Power, Major Power, Wilcom, Haze Battery, Platinum Tools, and Z-100 ADSL Modems. If prices are your concern and fast on time deliveries are your preference, CORE will meet your needs with close, attentive, world-class customer service! We are dedicated to you! CORE Telecom Systems, Inc. is a full service organization helping today's service providers remain profitable in an ever changing telecommunications environment.
